

## New management formation for Hinteregger

Vienna, 11 October 2017 - Following PORR's takeover of the longstanding Salzburg company Hinteregger at the start of September, Stefan Hinteregger has decided to step down from the company's Managing Board effective 31 October 2017. In future G. Hinteregger & Söhne Baugesellschaft m.b.H. will be managed by Manfred Bauer as the technical Managing Director with Markus Lienbacher and Alexander Soudi as commercial Managing Directors. Roman Esterbauer will support and continue to expand the newly created PORR division of Superregional Earthworks.

"After intensive discussions, Stefan Hinteregger informed us last week that he would resign from the Managing Board at the end of October and pursue independent projects. We greatly regret his decision and wish him every success in his future endeavours", said Christian Motz, Managing Director of PORR Bau GmbH. "We are therefore even more delighted to have Manfred Bauer - an absolute expert who knows Hinteregger inside out - remaining at the head of the company. We are confident that, together with Markus Lienbacher and Alexander Soudi, he will make the most of the opportunities of the merger with PORR and continue Hinteregger's rich tradition of success".
